

As the **38th Vespa Meeting** is just a few days away, we've put together a brief guide to ensure you make the most of your experience:

Registrations will take place from Thursday morning until Saturday afternoon at **Fougaro Art Center**! Entrance through the ETEKA petrol station.

After **completing your registration**, be sure to buy some raffle tickets for the prize draw. The grand prize is a **Vespa GTV 300**.

Make sure to always wear the wristband you receive with your registration as it grants you free access to all our planned events. On **Friday, don't forget to bring your lunch coupon** with you.

Prepare your Vespa in advance (fuel, tire pressure) to avoid delays during departures. The official refueling point is **ETEKA Kazaras**, located right next to **Fougaro Art Center**.

Vespa rides will be **escorted by the Police** and a **first aid team** to ensure smooth and safe conduct.

All gathering and parking areas during the rides are **suitable for parking motorcycles and cars** (However, parking for cars in Mycenae is more limited).

Entry to the archaeological sites is **optional**. If you're interested in visiting them, be sure to **purchase your tickets in advance**.

As a guide and for your convenience: For Mycenae click [here](#) or [here](#) / For Larisa Castle - Free entrance / For Epidaurus click [here](#) or [here](#). The scheduled guided tours (in English) at these sites are free of charge.

Please take care **not to litter** the archaeological sites, as well as all event areas.

On Saturday (11:30 AM - 1:00 PM), there will be a **creative workshop** for children aged 6+, where they will create their own Vespa model with paper and sticks. **The participation fee is €5 per child** (groups of 9-12 children).

On Saturday, following the guided tour in Epidaurus, **we will not head back to Nafplio as a group**. You're **free to explore** the sights and attractions of Nafplio and its surroundings on your own.

However, **don't lose track of time!** At 17:30, **Vespa Games** will start at **Fougaro Art Center**, followed by **our live concert** at 21:00, which will include the awards ceremony and the **raffle draw**.
